In Pimples. Started to Spread. Burned, Itched and Irritated. Could Not Sleep Many Nights. Used Cuticura Soap and Ointment. Trouble Disappeared.

20 Ridgewood St., Waterbury, Conn.-'I got poison ivy on my hands, face and legs and it started to spread. It broke out in pimples, very small and looked as if small white soeds were spilled all over my legs and face. It burned and itched so that I scratched and irritated it. My clothing made it worse and I could not sleep

many nights. For two months I tried other remedies and they didn't help me. Then I got some Cuticura Soap and Ointment and they afforded relief as soon as I bathed with the Cuticura Soap and put the Cuticura Ointment on. In a week the trouble had com-pletely disappeared." (Signed) Edward F. Mosel, Jan. 31, 1914.

Wash off the Cuticura Ointment in five minutes with Cuticura Soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Scap freely for the tollet and bath, to assist in preventing inflammation, irri-tation and clogging of the pores.

-Tait's Magazine. AS SLOW OUR SHIP.

As slow our ship her foamy track
Against the wind was cleaving.
Her trembling pennant still look'd
back
To that dear Isle 'twas leaving.
So loth we part from all we love.
From all the links that bind us.
So turn our hearts as on we rove

While memory brings us back again
Each earthly tie that twined us,
Oh, sweet's the cup that circles then
To those we've left behind us.
